

Release of Liability

Security of Premises / Access to Home By Others

My Favorite Pups accepts no responsibility for security of the premises, any damages, loss, or injuries to your home or pet(s) if incurred directly or indirectly by the actions or negligence of other individuals who may have access to the home during the term of this agreement. Client must notify My Favorite Pups if others (friends, family members, service technicians, etc.) will have access to the home during an absence by the owner. Pet care will be performed only by My Favorite Pups during all assignments unless prearranged with Client.

Claims / Liability

My Favorite Pups agrees to provide services in a professional, reliable, trustworthy and caring manner. In consideration of these services, the Client expressly waives and relinquishes any and all claims against My Favorite Pups, its employees or assigns, except those arising from proven negligence of My Favorite Pups.

Property Damage

It is the animal's owner's sole responsibility to "animal-proof" any areas of the home and/or property to which the animal has access. This includes thoroughly inspecting fences, gates, latches, doors and other devices (including crates) meant to contain the pet or restrict access to specific areas. My Favorite Pups does not assume responsibility and has no liability for any injuries the pet may sustain or property damage the pet may cause while in its own home/property. It is expressly understood that My Favorite Pups shall not be held responsible for any damage to Client's property, or that of others, caused by Client's animals during the period in which they are in its care. Client has advised My Favorite Pups of all situations, which will relieve it of liability for damage.

Shared Pet Care Responsibility

If My Favorite Pups agrees to "job share" the pet care requirements, it is understood that My Favorite Pups cannot be held liable for any services that are not completed to your satisfaction. A great deal of confusion and misinformation can occur when sharing the care of your pet, and your pet (or home) may suffer the consequences. Some situations to consider are: over feeding or missed meals, over medicating or missed medications, unlocked doors, missed visits that result in your pet being left inside or outside too long.

Reimbursement for Unexpected Fees

It is expected that pet owner will provide more than adequate amounts of food, litter, treats, medications and other items needed for complete care of their pets. If the pet sitter must replenish supplies during the contracted period of time, a \$20.00 charge will apply in addition to reimbursement for said supplies. Client agrees to reimburse My Favorite Pups for any additional fees for providing emergency care, as well as any expenses incurred for unexpected visits, transportation, housing, food or supplies.

Unsecured Pets

My Favorite Pups is not responsible for and will not be liable for free-roaming outdoor pets in the event of any fines, illness, injury, loss or death. This includes pets that are secured with invisible fencing. It is strongly advised that all pets have some form of permanent identification and that they remain inside the home or confined to a yard or pen for their own safety and welfare in your absence.
